

Kathy has been working with us for about 4 years. She has brought an excitement to IBC's advertising campaign because of her recognition in the Pittsburgh market. She has been a great spokesperson on our FYI commercials and has created a presence in our billboard and print advertising. She has personally got involved in our business and has offered ideas to help us grow. Kathy is energetic and enthusiastic which would be an asset to any company.

Sincerely;

Judy DiNardo

Director of Marketing
