Dear Kathy:

Thanks a million for helping us out by appearing on our celebrity cooking marathon. You were just terrific. I've had a couple people here at the station stop me and say how much they enjoyed you on the show. And lets not forget how good your pork medallions were - yum!

I'm really glad to have met you, Kath -- I just wish there was a Shop n' Save in my neighborhood! Thanks too, to you your friend Judy. Call me if I can ever help you.

Best regards,

Nancy Jean Coates
